CyberNest Holdings LLC
Risk Disclosure and Member Acknowledgment

Status: Required Disclosure
Applies To: All Members and Internal Departments
Effective Date: Upon execution

1. Purpose
This document ensures informed participation and transparency regarding the risks and discretionary structure of CyberNest Holdings LLC.

2. Not an Investment Vehicle
CyberNest Holdings LLC is an operating company and not an investment fund or pooled investment vehicle.

3. Nature of Capital Units
Capital Units are not equity, do not represent ownership, voting rights, or creditor status.

4. No Expectation of Profit
Participation does not guarantee profit or distributions. Distributions may be zero.

5. Treasury and Market Risk
Treasury value may fluctuate or decline due to market or operational factors.

6. Liquidity and Withdrawal Risk
Capital Units are illiquid and withdrawals may be delayed or paid in installments.

7. Management Discretion
All treasury and unit decisions are discretionary under governing documents.

8. Internal Departments
Internal departments are not separate legal entities and do not hold ownership rights.

9. Acknowledgment
By signing, the undersigned acknowledges understanding and acceptance of these risks.
